

Some of Our Five Year Goals ...

"Celebration 2009" will see us rejoicing that ...

- We know where we are going!
- We have so many new Christians at ISBC (through conversion) that we are able to plant a new church in Wanganui.
- We have trained and equipped new believers to plant a new church in Wanganui.
- We know and understand our spiritual gifting and church elders encourage us to use these gifts.
- We are a "seamless" age group.
- We work in teams and are actively involved.
- We utilise all church property for God's work.
- We place a high priority on Mission.
- We keep Jesus at the centre of our personal lives and are obedient to Him.
- We are known for the Christian love and care we demonstrate.
- We are widely known as a centre of good works and good people.
- We are able to commission a pastor.
- We have strong youth leadership resulting in a strong youth group.
- We "bathe" people, events, and the church itself in corporate (combined church) prayer.
- We have equipped our present young people to carry on God's work.
- We see our young people in Christian marriages.
- We support our ex Sunday School/Oasis Club members as they report back from the mission field.
